Abid Fatima

Frontend Developer

✉ abidfatem@gmail.com   ☎ +41 76 606 89 45   🏛 *28 ans*   *Permis B*   📍 *1004 Lausanne*

From sociology to frontend development, I've only taken one step! It is with a particular interest in user experience, and the development of stimulating interfaces that I orient my web development practice. I am eager to join your team to bring my creative vision, my sense of innovation, and especially my good mood.

Experiences

TPI ETML: Runeo Desk (festival Paleo)
ETML, Lausanne, Suisse

March 2024- June 2024

- Tech stack: React, TailwindCSS, TypeScript, Git
